FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION

---

Analysis

<p>HB 227 adds the word “resilience” to the municipal energy improvement assessment programs, naming them the “municipal energy and resilience improvement assessment programs”. It allows a municipality to establish an energy improvement assessment program under AS 29.55.100 – AS 29.55.165 to include building resilience improvements. Additionally, HB 227 broadens the costs a municipality can finance and the costs that can be repaid for an energy or resilience improvement assessment.</p> <p>The Division of Community and Regional Affairs does not anticipate a fiscal impact from this legislation.</p>
